PORTRAIT PHOTOGRAPHY PACKAGES

All of my portrait photography packages include up to 2.5 hours of photography on location in the Chiltern countryside or at a location of your choice (mileage charges apply beyond 25 miles of Tring, HP23). My clients often combine a session in the comfort of their own home with a visit to their favourite outdoor space such as local woods.

Newborn and baby photoshoots can be done in the comfort of your own home either with natural light or studio lighting.
